

Write a paragraph about an imaginary machine you have invented. Explain how it works and what it can do.

Ideas for My Paragraph

Remember:

- **Check over your work.**
- **Check your spelling, grammar and punctuation.**

Write your paragraph here.

Knowledge and Understanding

- I restated the question and provided a top bun (gist) answer.

Thinking

- I completed my plan (what invention, how it works, what it can do)

Communication

- I can use **transition words** such as **Top** begin with, Second, also, finally.
- I stated how my machine works (describe) and what it can do.
- I included details to explain my ideas.
- I have a conclusion (What's that again).
